About Rudy's

Rudy brought the cooking he loves from Istanbul to Columbia, and he has been part of this community for more than 25 years. Rudy's was the first Turkish restaurant in Howard County, and every dish is still made fresh daily from authentic recipes.

Our catering brings the same mezze, kebabs, and sides to your office, home, or celebration. We're right in Columbia Gateway, so lunch for nearby offices travels just minutes from our grill to your conference room.
